Dear Sir,

I am writing regarding Docket No. 98P-0151/CP1. ^{820700 MAY 10P3:17} This petition would provide for a safe food supply for Americans as well as allowing a humane end to non-ambulatory farm animals' suffering. These measures can only benefit us as the possible spread of diseases from these animals to consumers would be prohibited with their exclusion from food use. Please help us all - animal and human - by supporting this measure. Thank you.

Sincerely,
Evelyn Gutchell
